Add a refined edge to your outdoor dining zone with on-trend concrete

Make the most of sun-filled afternoons and sultry evenings entertaining outdoors. Meeting at the halfway point between elegant and industrial, this concrete-topped table from Robert Plumb hints at long lunches, tempting cocktails and Instagram-worthy parties. Pair it with individual armchairs for formal affairs, or pull up a timber bench for more casual get-togethers. 'Chunky' concrete table, from \$6565, Robert Plumb, robertplumb.com.au.
